Dear Supporters

Will you support our young musicians with a tax deductible donation?

Every year a voluntary group of people interested in nurturing the development of our young musicians conducts auditions for a number of prestigious scholarships from whom a number win the opportunity to perform at the Finalist's Concert held in November as near as possible to St Cecilia's Day. The scholarships are named after St Cecilia, the Patron Saint of music. They are supported by the generosity of donations from both the public, Council and Private Enterprise.

Will you help to maintain and grow our scholarship funds so that we continue to offer the St Cecilia Scholarships but also expand our offerings in a meaningful way?

Yes, I would like to become a Donor and support our young musicians
